#Term Deposit interest will be paid annually for terms greater than 12 months. For terms of 6 months or greater you may select to have interest paid monthly into a separate savings or transaction account. If you choose to withdraw from your term deposit before the end of its term, you'll need to give us 31 days' notice and pay a \$30 administration fee for early redemption. It's also important to note that this can affect the interest we pay you, with an early redemption interest rate of 0.10%p.a. applicable. When your term ends, you have a 'Grace Period' of seven calendar days to manage your term deposit, otherwise we will reinvest your balance for you for the same term, at the applicable advertised interest rate at the time.
